x to 10x Hackathon Participation
Masai School

Akash Chouhan

Frontend Developer(React)

Professional Summary

Passionate and detail-oriented Frontend Developer with hands-on experience building responsive web and mobile applications using React, React Native, JavaScript, and Firebase. Adept at implementing clean, maintainable code and modern UI/UX practices. Demonstrated ability to manage themes, translations, and state management through Context API and AsyncStorage. Proven project experience through multiple personal and academic projects. Looking to contribute to dynamic teams with a focus on creating seamless and user-centric digital experiences.

Projects

Modesens
